Letter of Recommendation

SCA Health program Management unit is pleased to write this letter of recommendation that Risalat Consultants conducted 2 trainings for the SCA health program during 2012 stated as below:

1. Professional Report writing training for 2 days for SCA and provincial health directorate's staff on 07 – 08 October, 2012
2. Supervision, Monitoring and Evaluation training for 3 days for SCA and provincial health directorate's staff on 16 – 18 October, 2012

The training was result-oriented and the feedback we received from the participants was positive and satisfactory. They also confirmed the quality of the training and the trainers' methodology.

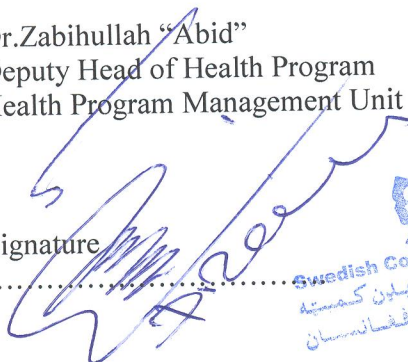

In addition the Risalat Consultants was responsive and committed during the training preparation, implementation and follow up.

We would welcome the opportunity for future possibility to engage with Risalat Consultants.

Sincerely,

Dr.Zabihullah "Abid"
Deputy Head of Health Program
Health Program Management Unit
